Since 2004 in Michigan, we have been making life sweeter by pulling together four simple ingredients.

After sugar and butter caramelize to make the toffee, we top it with your favorite chocolate and roasted pecans.

Every day we aim to prove that toffee does not have to be rock hard or sticky soft.

Our bags, boxes and tins come in a variety of sizes!

Prices start at \$4.50 for our mini bag.

**Milk, dark or white
chocolate toffee!**

**Our boxes and tins can be
dressed up in a variety of ribbon
colors!**

**To truly impress,
choose a platinum tin!**
