

## **Booth #31 – AK's Hidden Gems – Stacey Kelly**

**Hello, My name is Stacey and I am the owner and designer of AK's Hidden Gems!**

**When my husband and I had our twin daughters Abby and Katie I strived to find stylish, affordable and quality made children's jewelry! When store bought jewelry did not make the cut for my girls I decided to design some pieces for them that would complement their clothing from everyday to special events. When others wanted the same pieces A and K were wearing, AK's Hidden Gems was created in 2014!**

**Everyday we create stylish, affordable and quality jewelry and accessories for women and children! We hope that you find the perfect item to complete you or your little ladies outfit. Custom orders are also welcome to ensure we create the perfect item for you!**
