Take a wild journey through history in this action-packed children's series,  
***Michigan History Nightmares***

***Michigan History Nightmares*** (vol. 1) \$7.00

***Trapped in the Lower Peninsula/A Narrow Escape in the Upper Peninsula***

Following a nightmare in which Katie finds herself trapped inside of a glacier, she wakes up for her first day of third grade with a funny feeling that something quite unusual is about to happen. Will her frightening dream soon become a reality?

***Michigan History Nightmares*** (vol. 2) \$8.00

***Entombed in a Hopewell Burial Mound/ A Shocking Encounter with the Iroquois and Three Fires American Tribes***

Unlike most kids, Katie's nightmares don't end when she wakes up. Lately her bad dreams have sent her places other Michigan kids only learn about in books. For Katie and her friends, including the mysterious new kid, Zach, Michigan History is about to get real once again.

***Michigan History Nightmares*** (vol. 3) \$9.00

***Michigan Fur Trade . . . A Hare-Raising Adventure***

What happens when you research the Michigan fur trade on Halloween? Katie, Nick, Gary, Helena, and Zack are about to find out. This time the young historians find themselves transported back in time to the seventeenth century where they are captured by pirates, attacked by a bear, and shot through the rapids with voyageurs while learning first-hand about the fur trade in Michigan.

***Michigan History Nightmares*** (vol. 4) \$11.00

***How Michigan Became a State – Lessons from beyond the Grave***

Katie, Nick, Gary, Zack, and Helena were excited to be the first test group of children to determine if the new Tri-Con Dynamics quantum computers were kid friendly. Eager to begin, they entered their questions on how Michigan became a state. What happened next was definitely not what anyone had expected! Catapulted back in time, the group finds themselves trapped in a parallel universe where ghosts from the past become their Michigan history teachers. Even more disturbing is the fact that the Michigan pen isn't functioning correctly, leaving the children to wonder who or what is in control of their future?
